

To Our Valued Members and Guests,

For 17 years, THE pearl has continued to strive to ensure that the highest level of safety is a priority for our members, guests and pearl team. A scheduled inspection has revealed that it is necessary to perform repairs and maintenance within THE healing waters to continue to keep the standards that we guarantee. These repairs, which include resurfacing of the hot tub, require that we temporarily close all aspects of THE healing waters for approximately 2 weeks. Repairs are scheduled to begin on Monday, March 6th, and we are hopeful to reopen by Monday, March 20th.

We know this closure may be disruptive to many amid their own personal healing journey. Therefore, all Healing Waters members will not be charged for the entire month of March, and fusion members will receive a \$75.00 adjustment on their March membership dues. In addition, THE pearl would like to offer all healing waters members a complimentary 30-day mindful movement membership as a gesture of gratitude for your patience and understanding. This membership will begin on March 1st for all members.

We are so very grateful for all the support that our members and guests have provided us with throughout the years. From the bottom of our hearts, we thank you for choosing us as your self-care sanctuary.

Sincerely,

Kassi Buscher and THE pearl team
