

A New Chapter Begins

After many years of beautiful manicures, pedicures, celebrations, and conversations, THE pearl will retire nail services effective **July 3, 2026**. We are incredibly grateful to the guests who have supported our nail department throughout the years and to the talented professionals who helped make it such a meaningful part of our story.

As THE pearl continues to evolve, we are excited to transform the nail department into a brand-new wellness destination: **THE head-to-sole therapies**.

Inspired by the growing desire for nervous system restoration and meaningful self-care, these signature experiences will combine luxurious scalp rituals, flower-essence journeys, therapeutic touch, facial wellness therapies, and restorative foot-sole rituals into one unforgettable wellness experience.

While we are sad to say goodbye to this chapter, we are equally excited for what lies ahead and cannot wait to share more with you in the coming weeks.

If you've been thinking about scheduling one last manicure or pedicure, we encourage you to book soon. Our final day of nail services will be **July 3**.

Thank you for being part of our journey.
With gratitude,
THE pearl
